W. R. Grace Letterhead

August 2, 1996

Dear Shareholders:

You are cordially invited to attend a Special Meeting of Shareholders of Grace, to be held at 10:00 a.m., local time, on September 16, 1996 at our headquarters in Boca Raton, Florida. I hope that you will attend this important meeting in person or by proxy.

On February 4, 1996, Grace and Fresenius AG, a German health care corporation, entered into an Agreement and Plan of Reorganization (as supplemented or modified from time to time, the "Reorganization Agreement," and the transactions contemplated thereby, the "Reorganization") to combine Grace's principal health care subsidiary, National Medicare Care, Inc., with Fresenius AG's worldwide dialysis business to form a company to be named "Fresenius Medical Care AG." The Reorganization will be a momentous event in the history of Grace. It will form the world's largest renal treatment and products company, which will be well positioned to compete in today's global marketplace. In the Reorganization, holders of Grace Common Stock and options will be allocated an aggregate of 44.8% of the ordinary shares of Fresenius Medical Care, on a fully diluted basis. Immediately prior to the combination, Grace will spin off its packaging and specialty chemicals businesses to the holders of its Common Stock. This spun-off company will retain the "W. R. Grace & Co." name.

The Reorganization is described in greater detail in the enclosed Joint Proxy Statement-Prospectus. Attached as Annex A to the Joint Proxy Statement-Prospectus is a Prospectus describing the business of the company that will be spun off.

The enclosed Joint Proxy Statement-Prospectus asks you to approve the transactions described above, as a result of which you will receive, for each share of Grace Common Stock you own, based upon the number of shares of, and options with respect to, Grace Common Stock outstanding as of July 15, 1996,

(a) approximately 1.013 American Depositary Shares represented by American Depositary Receipts, each representing one-third of an ordinary share of Fresenius Medical Care,

(b) one share of common stock of the packaging and specialty chemicals company and

(c) one share of a new series of Grace preferred stock, which may pay a one-time special dividend based on Fresenius Medical Care's performance.

Adoption and approval of the Reorganization Agreement and the transactions contemplated thereby requires the vote of two-thirds (and, in the case of a related amendment to

<PAGE> 6

Grace's Certificate of Incorporation, a majority) of the total voting power of Grace's outstanding capital stock. Shareholders are entitled to vote all shares of Grace Common Stock and all shares of all classes of Grace Preferred Stock held by them on July 29, 1996, which is the record date for the Special Meeting. YOUR BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE PROPOSALS. In order to ensure that your vote is represented at the meeting, please indicate your choice on the proxy, date and sign it, and return it in the enclosed envelope. A prompt response will be appreciated.

Sincerely,

/s/ A.J. Costello

time, on September 16, 1996 to consider and vote upon the following matters, which are more fully described in the accompanying Joint Proxy Statement-Prospectus:

1. To consider and vote upon a proposal to adopt and approve (a) the Agreement and Plan of Reorganization, dated as of February 4, 1996, between Grace and Fresenius AG, a German corporation, together with the agreements that are exhibits thereto, all as supplemented or modified from time to time (the "Reorganization Agreement"), and (b) the transactions contemplated thereby (collectively, the "Reorganization"), including, without limitation, the Grace Merger and the Distribution (each as defined in the Reorganization Agreement).

2. To consider and vote upon a proposal to adopt and approve an amendment to Grace's Certificate of Incorporation, as set forth in the Certificate of Amendment attached to the accompanying Joint Proxy Statement-Prospectus as Appendix B.

3. To transact such other business as may properly come before the meeting or any adjournments or postponements thereof.

Only holders of record of Grace Common Stock and all classes of Grace Preferred Stock at the close of business on July 29, 1996 (the "Record Date") are entitled to notice of and to vote at such meeting or any adjournments or postponements thereof. Approval of the Reorganization requires the affirmative vote of two-thirds, and adoption and approval of the amendment to Grace's Certificate of Incorporation requires the affirmative vote of a majority, of the total voting power of Grace Common Stock and Grace Preferred Stock, voting together as one class.

Any holder of shares of Grace Common Stock as of the Record Date who does not assent to the Reorganization has the right, upon compliance with specific procedures, to demand from Grace payment of the fair value of such holder's shares. Reference is made to "THE REORGANIZATION -- Appraisal Rights" in the Joint Proxy Statement-Prospectus for a more complete discussion thereof and to Sections 623 and 910 of the New York Business Corporation Law, copies of which are attached to the Joint Proxy Statement-Prospectus as Appendix F.

August 2, 1996

Dear Stockholder:

You are cordially invited to attend a Special Meeting of Stockholders of Fresenius USA, Inc. to be held at 10:00 a.m., local time on September 16, 1996 at the 52nd floor conference center of O'Melveny & Myers LLP, 153 East 53rd Street, New York, New York 10022 (the "Fresenius USA Special Meeting"). I hope that you will be present or represented in person or by proxy at this important meeting.

On February 4, 1996, Fresenius AG, the majority stockholder of Fresenius USA, Inc. ("Fresenius USA"), and W. R. Grace & Co. ("Grace") entered into an Agreement and Plan of Reorganization (as supplemented or modified from time to time, the "Reorganization Agreement") to combine Fresenius AG's worldwide dialysis business, including Fresenius USA, with Grace's health care operations, including National Medical Care, Inc., Grace's principal health care subsidiary ("NMC"), to form a company to be named "Fresenius Medical Care AG" (the "Reorganization"). On May 8, 1996, the Reorganization Agreement was approved and adopted on behalf of Fresenius USA by its Board of Directors.

The combination of Fresenius AG's worldwide dialysis business with NMC will form the world's largest integrated dialysis company. Fresenius Medical Care AG will be well-positioned to compete vigorously in today's global marketplace. In less than 10 years since the original investment by Fresenius AG in Fresenius USA, we have grown from a struggling peritoneal dialysis company to a profitable business that is a significant competitor in all aspects of the dialysis products business in North America. The strategic combination of Fresenius AG's worldwide dialysis business (including Fresenius USA) with NMC will provide our stockholders with an opportunity to participate in the growth of a newly formed health care company.

Under the Reorganization Agreement, Fresenius AG will contribute its

worldwide dialysis business, including its equity interest in Fresenius USA, to Fresenius Medical Care AG. Fresenius USA will merge with a subsidiary of Fresenius Medical Care AG (the "Fresenius USA Merger") and, after spinning off its non-health care businesses, Grace will merge with another Fresenius Medical Care AG subsidiary (the "Grace Merger").

The enclosed Joint Proxy Statement-Prospectus asks you and your fellow stockholders to approve the transactions described above, as a result of which you will receive, for each share of Common Stock of Fresenius USA, par value \$.01 per share (the "Fresenius USA Common Stock"), you own, approximately 1.112 American Depositary Shares ("ADSs") represented by American Depositary Receipts of Fresenius Medical Care AG. Each ADS represents the right to receive one-third of an ordinary share, nominal value DM 5 per

<PAGE> 10

share, of Fresenius Medical Care AG ("FMC Ordinary Shares"). The Reorganization is described in greater detail in the enclosed Joint Proxy Statement-Prospectus. The Joint Proxy Statement-Prospectus is also a prospectus of Fresenius Medical Care AG, and contains detailed information concerning the FMC Ordinary Shares and the ADSs.

A special committee of independent directors of Fresenius USA (the "Fresenius USA Independent Committee") has reviewed the Reorganization on behalf of its stockholders (other than Fresenius AG and W. R. Grace & Co. and their subsidiaries) and has recommended that such stockholders vote in favor of the Reorganization. The Fresenius USA Independent Committee has also received an opinion from Salomon Brothers Inc, its financial advisor, that the exchange ratio for the exchange of Fresenius USA Common Stock for FMC Ordinary Shares by stockholders of Fresenius USA (other than Fresenius AG and W. R. Grace & Co. and their respective subsidiaries) is fair, from a financial point of view, to such stockholders.

Approval of the Reorganization requires a favorable vote of two-thirds of the outstanding shares of Fresenius USA Common Stock. Stockholders are entitled to vote all shares of Fresenius USA Common Stock held of record on July 29, 1996, which is the record date for the Fresenius USA Special Meeting. A vote in favor of the proposals authorizing the Reorganization is assured because Fresenius AG, the majority stockholder of Fresenius USA, has agreed to vote for such proposals.

The Fresenius USA Special Meeting will also consider a proposed amendment to the Fresenius USA 1987 Stock Option Plan described in the Joint Proxy Statement-Prospectus under the heading "AMENDMENT TO THE FRESENIUS USA 1987 STOCK OPTION PLAN," which has already been approved by the Board of Directors. Approval of such amendment requires the favorable vote of a majority of the shares of Fresenius USA Common Stock entitled to vote at the Fresenius USA Special Meeting. Fresenius AG, the majority stockholder, intends to vote for such proposal.

YOUR BOARD OF DIRECTORS, INCLUDING THE FRESENIUS USA INDEPENDENT COMMITTEE CREATED TO EVALUATE THE REORGANIZATION, UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE PROPOSALS.

We urge you to consider carefully these important matters, which are described in the attached Joint Proxy Statement-Prospectus. In order to ensure that your vote is represented at the meeting, please indicate your choice on the proxy, date and sign it, and return it in the enclosed envelope. A prompt response will be appreciated. You may revoke your proxy at any time before exercise.

Sincerely,

/s/ Ben J. Lipps

1. To consider and vote upon a proposal to adopt and approve (a) the Agreement and Plan of Reorganization, dated as of February 4, 1996, as it may be supplemented or modified from time to time (the "Reorganization Agreement"), among W. R. Grace & Co., a New York corporation, Fresenius AG, a German corporation ("Fresenius AG") and Fresenius USA and any exhibits thereto to which Fresenius USA is a party, (b) the transactions contemplated thereby (the "Reorganization"), including, without limitation, the merger of FUSA Merger Sub, Inc., a Massachusetts corporation and a wholly owned subsidiary of Fresenius Medical Care AG (a German corporation and a wholly owned subsidiary of Fresenius AG) with and into Fresenius USA.

2. To consider and vote upon a proposal to amend Fresenius USA's 1987 Stock

Option Plan to fix the maximum number of shares for which options may be granted under such plan to any individual at 1,000,000 shares.

3. To transact any and all other business that may properly come before the meeting or any adjournments or postponements thereof.

Only holders of record of Fresenius USA common stock, par value \$.01 per share (the "Fresenius USA Common Stock"), at the close of business on July 29, 1996 (the "Record Date"), are entitled to notice of and to vote at such meeting or any adjournments or postponements thereof. Approval of the matters to be voted upon in connection with the Reorganization requires the affirmative vote of two-thirds of the outstanding shares of Fresenius USA Common Stock and approval of the amendment of Fresenius USA's 1987 Stock Option Plan requires the affirmative vote of a majority of the outstanding shares of Fresenius USA Common Stock.

In accordance with Section 87, Chapter 156B of the General Laws of Massachusetts, holders of Fresenius USA Common Stock are advised as follows with respect to the proposal to approve the Reorganization Agreement and the Reorganization:

If the action proposed is approved by the stockholders at the meeting and effected by Fresenius USA, any stockholder (1) who files with Fresenius USA before the taking of the vote on the approval of such action, written objection to the proposed action stating that he intends to demand payment for his shares if the action is taken and (2) whose shares are not voted in favor of such action has or may have the right to demand in writing from Fresenius USA, within twenty days after the date of mailing to the stockholder of notice in writing that the corporate action has become effective, payment for his shares and an appraisal of the value thereof. Fresenius USA and any such stockholder shall in such case have the rights and duties and shall follow the procedure set forth in sections 88 to 98, inclusive, of chapter 156B of the General Laws of Massachusetts.

Reference is made to "THE REORGANIZATION -- Appraisal Rights" in the Joint Proxy Statement-Prospectus and to Sections 85 through 98 of Chapter 156B of the General Laws of Massachusetts, copies of which are attached to the Joint Proxy Statement-Prospectus as Appendix G.

<PAGE> 14

(Continued from front cover)

This Joint Proxy Statement-Prospectus relates to, among other matters, proposals that the shareholders of Grace and Fresenius USA adopt and approve the Agreement and Plan of Reorganization, dated February 4, 1996 and the agreements that are exhibits thereto (all as supplemented or modified from time to time, the "Reorganization Agreement"), by and between Grace, Fresenius AG ("Fresenius AG"), a German corporation and the beneficial owner of approximately 70.6% of the outstanding Fresenius USA Common Stock, and Fresenius USA, and the transactions contemplated thereby. This Joint Proxy Statement - Prospectus also relates to certain related matters, including, in the case of Grace, proposed amendments to Grace's Certificate of Incorporation (the "Grace Amendment") to change its name from "W. R. Grace & Co." to "Fresenius National Medical Care, Inc." and to establish a new class of Grace Preferred Stock (the "New Preferred Shares"); and, in the case of Fresenius USA, a proposed amendment (the "Fresenius USA Plan Amendment") to the Fresenius USA 1987 Stock Option Plan (the "Fresenius USA Plan").

The Reorganization Agreement provides for the combination of the worldwide dialysis business of Fresenius AG, including Fresenius USA ("Fresenius Worldwide Dialysis"), and the health care business of Grace conducted by Grace's wholly owned subsidiary, National Medical Care, Inc., a Delaware corporation ("NMC"), to form Fresenius Medical Care AG, a German corporation ("Fresenius Medical Care"). The combination to be effected pursuant to the Reorganization Agreement and the other transactions contemplated thereby are collectively referred to in this Joint Proxy Statement-Prospectus as the "Reorganization."

The Reorganization will be effected as follows.

The Contribution of FWD. Pursuant to the Contribution Agreement, dated February 4, 1996 (the "Contribution Agreement"), among Fresenius AG, Sterilpharma GmbH, a wholly owned subsidiary of Fresenius AG and the predecessor of Fresenius Medical Care, and W. R. Grace & Co.-Conn., a wholly owned subsidiary of Grace ("Grace Chemicals"), Fresenius AG will contribute its worldwide dialysis business, including its entire direct and indirect ownership interest in Fresenius USA (the "Contribution"), to Fresenius Medical Care in consideration of the issuance of approximately 35,210,000 ordinary shares, nominal value DM 5 per share, of Fresenius Medical Care ("FMC Ordinary Shares").

The Distribution of New Grace. On the date of the Reorganization, pursuant to the Distribution Agreement, dated February 4, 1996, among Grace, Grace Chemicals and Fresenius AG (the "Distribution Agreement"), Grace will spin off Grace Holding, Inc., a Delaware corporation and a wholly owned subsidiary of Grace ("New Grace"), which will hold all of Grace's assets and liabilities other than those of NMC (the "Distribution").

The Recapitalization. Immediately following the Distribution, Grace will be recapitalized so that each holder of shares of Grace Common Stock will receive one New Preferred Share for each share of Grace Common Stock (the "Recapitalization"). Following the Reorganization, all shares of Grace Preferred Stock, including the New Preferred Shares, will remain outstanding as shares of FNMCI.

The Mergers. On the date of the Reorganization, a wholly owned New York subsidiary of Fresenius Medical Care ("Grace Merger Sub") will be merged with and into Grace, with Grace the surviving corporation (the "Grace Merger"); and a wholly owned Massachusetts subsidiary of Fresenius

Medical Care ("FUSA Merger Sub") will be merged with and into Fresenius USA, with Fresenius USA the surviving corporation (the "Fresenius USA Merger" and, collectively with the Grace Merger, the "Mergers"). In the Grace Merger, all shares of Grace Common Stock outstanding will be cancelled and the holders of Grace Common Stock (other than any Grace Common Stock owned by Fresenius AG, Fresenius USA, Grace or their respective subsidiaries, and other than Grace Common Stock as to which appraisal rights have been asserted and not withdrawn or otherwise lost) will receive approximately 1.013 American Depositary Shares ("ADSS") represented by American Depositary Receipts ("ADRs"), each representing one-third of an FMC Ordinary Share, for each share of Grace Common Stock held by them based upon the number of shares of, and options with respect to, Grace Common Stock outstanding as of July 15, 1996; Grace Preferred Stock will not be exchanged for FMC Ordinary Shares in the Grace Merger. In the Fresenius USA Merger, all shares of Fresenius USA Common Stock outstanding will be cancelled and the holders of Fresenius USA Common Stock (other than Fresenius USA Common Stock owned by Fresenius AG, Fresenius USA, Grace or their respective subsidiaries, and other than Fresenius USA Common Stock as to which appraisal rights have been asserted and not withdrawn or otherwise lost) will receive approximately 1.112 ADSS, represented by ADRs, each representing one-third of an FMC Ordinary Share, per share of Fresenius USA Common Stock held by them.

(Continued from front cover)

The Contribution of Fresenius USA. As promptly as practicable following the Mergers, Fresenius Medical Care will contribute Fresenius USA to FNMC.

Grace does not intend to effect the Distribution in the event that the Reorganization (including the Distribution and the Grace Merger) is not approved at the Grace Meeting. Following the Reorganization, it is expected that shares of New Grace Common Stock will be listed on the New York Stock Exchange, Inc. (the "NYSE"). It is also expected that the ADSSs will be listed on the NYSE. Following the Reorganization, FNMC intends to seek to list the New Preferred Shares on a national stock exchange. However, no assurance can be given that the New Preferred Shares will satisfy the listing criteria of any such exchange. The Reorganization Agreement, the text of the Grace Amendment and the text of the Fresenius USA Plan, as amended by the proposed Fresenius USA Plan Amendment are attached to this Joint Proxy Statement-Prospectus as Appendices A, B and E, respectively.

The following table summarizes what the shareholders of Grace and Fresenius USA will receive in the Reorganization:

In connection with approval of the Reorganization by the Grace Board, the Grace Board received opinions from CS First Boston and Merrill Lynch to the effect that, in the opinion of such firms, as of February 4, 1996, the terms of the Distribution Payment and the Grace Merger, taken together, were fair, from a financial point of view, to the holders of Grace Common Stock. In connection with these opinions, these firms performed a variety of financial and comparative analyses which included, among other things, valuation analyses with respect to Fresenius Medical Care and NMC and made a presentation to the Grace Board. Such opinions and presentation are based on certain assumptions and are subject to certain limitations. Such opinions and presentation are described herein under "BACKGROUND AND REASONS" at pages 37 through 57, and the opinions of CS First Boston and Merrill Lynch are set forth in full in Appendix C hereto.

In connection with approval of the Reorganization by the Fresenius USA Board, the Fresenius USA Independent Committee received an opinion from Salomon Brothers to the effect that, in the opinion of such firm, as of May 8, 1996, the exchange ratio of 0.37067735 FMC Ordinary Shares to be issued in exchange for each share of Fresenius USA Common Stock held by the stockholders of Fresenius USA (other than Fresenius AG and Grace and their respective subsidiaries) was fair, from a financial point of view, to the holders of Fresenius USA Common Stock (other than Fresenius AG and Grace and their respective subsidiaries). In connection with this opinion, Salomon Brothers performed a variety of financial and comparative analyses which included, among other things, valuation analyses with respect to Fresenius

Medical Care and Fresenius USA and made a presentation to the Fresenius USA Independent Committee. Such opinion and presentation are based on certain

assumptions and are subject to certain limitations. Such opinion and presentation are described herein under "BACKGROUND AND REASONS" at pages 47 through 57, and the opinion of Salomon Brothers is set forth in full in Appendix D hereto.

All information in the Registration Statement regarding Grace and its subsidiaries has been provided by Grace, all information regarding Fresenius USA has been provided by Fresenius USA, and all information regarding Fresenius AG or its worldwide dialysis business other than Fresenius USA has been provided by Fresenius AG. New Grace has filed with the Commission a registration statement on Form S-1 (including exhibits and amendments thereto, the "New Grace Registration Statement"), which includes a Prospectus (the "New Grace Prospectus"), pursuant to the Exchange Act covering the shares of common stock, par value \$.01 per share (the "New Grace Common Stock"), issuable in the Distribution. WILL BE PREPARED IN CONFORMITY WITH U.S. GENERALLY ACCEPTED ACCOUNTING PRINCIPLES ("US GAAP"), AND SUCH OPINIONS OF FRESENIUS MEDICAL CARE'S AUDITORS WILL BE AS TO PREPARATION IN CONFORMITY WITH US GAAP. See "DESCRIPTION OF THE POOLING AGREEMENT." Fresenius Medical Care will also file annual reports with the Commission on Form 20-F, which will be made available to Morgan Guaranty Trust Company of New York, as depositary (the "Depositary") with respect to the ADSs and ADRs evidencing such ADSs. The first such report is expected to be

issued with regard to the fiscal year ending December 31, 1996. Fresenius Medical Care will file its quarterly reports with the Commission under cover of Form 6-K.

Fresenius Medical Care will also furnish the Depositary with all notices of shareholder meetings and other reports and communications that are made generally available to shareholders of Fresenius Medical Care. The Depositary will, to the extent permitted by law, arrange for the transmittal to the registered holders of ADRs of all notices, reports and communications provided by Fresenius Medical Care, and will make such notices, reports and communications, together with the governing instruments affecting the FMC Ordinary Shares and amendments thereto, available for inspection by registered holders of ADRs at the principal office of the Depositary in New York, presently located at 60 Wall Street, New York, New York 10260.

Following the Reorganization, in addition to Annual Reports on Form 20-F and quarterly reports, Fresenius Medical Care intends to file with the Commission materials with respect to its annual meeting of shareholders and any special meeting of shareholders under cover of Form 6-K. Such materials will also be made available to the Depositary which will forward such materials with requests for voting instructions to all registered holders of ADRs in accordance with the terms of the Deposit Agreement described under "DESCRIPTION OF AMERICAN DEPOSITARY RECEIPTS." See "DESCRIPTION OF THE POOLING AGREEMENT." Fresenius Medical Care intends to provide in such materials information generally comparable to that which would be provided to shareholders of a U.S. corporation in a proxy statement filed with the Commission, except that certain information including information relating to Fresenius Medical Care's management, executive compensation and options, beneficial ownership of Fresenius Medical Care securities and certain related party transactions will be provided in accordance with the disclosure requirements applicable to "foreign private issuers," as defined in the Commission's rules.

Following the completion of the Reorganization, by virtue of the issuance of the New Preferred Shares pursuant to the Recapitalization, FPMC will continue to be subject to the informational requirements of the Exchange Act, and, in accordance therewith, will continue to file reports, proxy statements and other information with the Commission and any stock exchange on which such shares are listed or quoted.

ENFORCEABILITY OF CIVIL LIABILITIES UNDER THE FEDERAL SECURITIES LAWS

Fresenius Medical Care is a corporation organized under the laws of Germany. Certain of Fresenius Medical Care's directors and executive officers and certain of the experts named herein are residents of Germany. A substantial portion of the assets of Fresenius Medical Care and of such individuals is located outside the U.S. As a result, it may be difficult or impossible for investors to effect service of process upon such persons within the U.S. with respect to matters arising under the U.S. federal securities laws or to enforce against them in U.S. courts judgments of such courts predicated upon the civil liability provisions of such federal securities laws. Fresenius Medical Care has been advised by its German counsel, Norr, Stiefenhofer & Lutz, that there may be doubt as to the enforceability in Germany, in original actions, of liabilities predicated on the U.S. federal securities laws and that in Germany both recognition and enforcement of court judgments with respect to civil liability provisions of U.S. federal securities laws are solely governed by the provisions of the German Civil Procedure Code (Zivilprozessordnung or ZPO). In some cases, especially when according to the German statutory provisions the international jurisdiction of the U.S. court will not be recognized or the judgment conflicts with basic principles (e.g., the restriction to compensatory damages and limited pre-trial discovery) of German law, the U.S. judgment might not be recognized by a German court. The service of process in U.S. proceedings on persons in Germany is regulated by a multilateral treaty guaranteeing service of writs and other legal documents in civil cases if the current address of the defendant is known.

THE COMPANIES

GRACE

Grace, through its subsidiaries, is primarily engaged in the packaging and specialty chemicals businesses on a worldwide basis and, through NMC, in specialized health care activities. In the Reorganization, Grace will spin off New Grace, containing all of its businesses other than NMC. At such time, Grace's name will be changed to "Fresenius National Medical Care, Inc." and New Grace's name will be changed to "W. R. Grace & Co."

NMC is primarily engaged in (a) providing kidney dialysis services, (b) manufacturing and distributing products and equipment for dialysis treatment and performing clinical laboratory testing and other medical services, and (c) providing home infusion, home respiratory therapy and home health services. NMC operates through three principal business units: the Dialysis Services Division ("DSD"), the Medical Products Group ("MPG"), and the NMC Homecare Division ("NMC Homecare"). NMC's address is Reservoir Place, 1601 Trapelo Road, Waltham, Massachusetts 02154, and its telephone number is (617) 466-9850.

Grace's address is One Town Center Road, Boca Raton, Florida 33486-1010 and its telephone number is (407) 362-2000. Following the Reorganization, FNMC's address and telephone number will become those of NMC listed above.

THE REORGANIZATION

The following transactions are to be consummated in connection with the Reorganization:

- Fresenius AG will contribute Fresenius Worldwide Dialysis including its shares of Fresenius USA, to Fresenius Medical Care.
- The Reorganization Agreement provides that NMC will enter into the NMC Credit Agreement and, on the Effective Date, borrow an amount sufficient to finance the payment to, and the assumption of indebtedness of, Grace Chemicals such that the Debt of Grace on a consolidated basis, at the Effective Time, will not exceed \$2.263 billion, subject to adjustment as provided in the Reorganization Agreement.
- Grace Chemicals will then distribute the capital stock of NMC to Grace, as a result of which Grace Chemicals and NMC will be sister companies.
- Immediately thereafter, Grace will contribute the capital stock of Grace Chemicals to New Grace and effect the Distribution.
- Immediately following the Distribution, Grace will effect the Recapitalization, in which each holder of Grace Common Stock will hold thereafter one share of Grace Common Stock and one New Preferred Share for each share of Grace Common Stock held.
- Immediately following the Recapitalization, each of Grace and Fresenius USA will merge with wholly owned subsidiaries of Fresenius Medical Care.
- As promptly as practicable following the Mergers, Fresenius Medical Care will contribute Fresenius USA to FNMC.

CONSIDERATION TO SHAREHOLDERS

In the Reorganization, Fresenius AG and shareholders of Grace and Fresenius USA will receive the following consideration:

FRESENIUS AG

- Fresenius Worldwide Dialysis, including all Fresenius USA Common Stock held by Fresenius AG or its subsidiaries, will be contributed to Fresenius Medical Care in exchange for FMC Ordinary Shares representing approximately 50.3% of all FMC Ordinary Shares outstanding, on a fully diluted basis, immediately following the Reorganization.

GRACE COMMON SHAREHOLDERS

- The closing price of Grace Common Stock in NYSE composite trading on August 1, 1996 was \$63 1/4 per share.
- Each holder of Grace Common Stock issued and outstanding at the time of Distribution (the "Time of Distribution") will receive one share of New Grace Common Stock in the Distribution.
- Each holder of Grace Common Stock issued and outstanding after the Time of Distribution will receive one New Preferred Share.
- Holders of shares of Grace Common Stock issued and outstanding immediately prior to the Effective Time (other than any shares of Grace Common Stock owned by Fresenius AG or its subsidiaries, Fresenius USA or its subsidiaries or any Grace subsidiary, any shares of Grace Common Stock held in Grace's treasury or any shares of Grace Common Stock dissenting from the Reorganization), and NMC employees who are holders of options with respect to Grace Common Stock will be allocated 44.8% of the FMC Ordinary Shares outstanding on a fully diluted basis. As of July 15, 1996, there were outstanding 92,001,176 shares of Grace Common Stock, and options with respect to approximately 231,000 shares of Grace Common Stock held by employees of NMC (none of whom is an officer or

2

<PAGE> 27

director of Grace). On this basis, assuming that there are no Grace Common Dissenting Shareholders and that each option with respect to Grace Common Stock is converted to an option with respect to 3.7 ADSs, each share of Grace Common Stock will be converted in the Grace Merger into the right to receive 1.013 ADSs, each such ADS representing one-third of an FMC Ordinary Share.

GRACE PREFERRED SHAREHOLDERS

- Each share of Grace Preferred Stock and each New Preferred Share issued and outstanding immediately prior to the Effective Time will remain issued and outstanding as FMC stock.

FRESENIUS USA COMMON STOCKHOLDERS

- The closing price of Fresenius USA Common Stock in AMEX composite trading on August 1, 1996 was \$19 per share.
- Each share of Fresenius USA Common Stock issued and outstanding immediately prior to the Effective Time (other than any shares of Fresenius USA Common Stock owned by Grace or its subsidiaries or by Fresenius AG or its subsidiaries, any shares of Fresenius USA Common Stock held in Fresenius USA's treasury or any shares of Fresenius USA Common Stock dissenting from the Reorganization) will be converted in the Fresenius USA Merger into the right to receive approximately 1.112 ADSs, each such ADS representing one-third of an FMC Ordinary Share, and each holder of options or warrants to purchase Fresenius USA Common Stock (other than Grace or its subsidiaries or Fresenius AG or its subsidiaries) will receive options or warrants to purchase approximately 1.112 ADSs for each share of Fresenius USA Common Stock issuable upon exercise of such options or warrants. As of July 29, 1996, there were outstanding 26,374,218 shares of Fresenius USA Common Stock and options or warrants with respect to 2,636,626 shares of Fresenius USA Common Stock. On this basis, assuming that there are no Fresenius USA Dissenting Stockholders and that each option with respect to Fresenius USA Common Stock is converted into an option with respect to FMC Ordinary Shares, and that Fresenius USA effects certain securities repurchases (see "THE REORGANIZATION -- Additional Agreements of Fresenius USA"), holders of shares of (and options and warrants with respect to) Fresenius USA Common Stock will be allocated approximately 4.9% of the FMC Ordinary Shares.

GENERAL

- In lieu of fractional FMC Ordinary Shares or ADSs, each person who would otherwise have been entitled to a fraction of an FMC Ordinary Share or ADS will be paid an amount in cash (without interest) equal to such holder's proportionate interest in the net proceeds from the sale in the open market by an exchange agent appointed by Fresenius Medical Care with the approval of Grace and Fresenius AG (the "Exchange Agent"), on behalf of all such holders, of the aggregate fractional FMC Ordinary Shares or ADSs issued.
- Each share of Grace Common Stock owned by Fresenius AG or its subsidiaries, Fresenius USA or its subsidiaries or any Grace subsidiary, or held in Grace's treasury, will be cancelled and retired without payment of any consideration therefor and will cease to exist. Each share of Fresenius USA Common Stock owned by Grace or its subsidiaries, Fresenius AG or its subsidiaries, or any Fresenius USA subsidiary, or held in Fresenius USA's treasury, will be cancelled and retired without

As a result, failing to vote in person or by proxy on any such proposal or abstaining on any such proposal has the same effect as voting against the proposal.

Beneficial Ownership of Management. At June 15, 1996, Grace's directors and executive officers and their affiliates beneficially owned in the aggregate Grace Common Stock and Grace Preferred Stock representing less than 1% of the total voting power of Grace's outstanding capital stock. FRESENIUS USA

The Fresenius USA Special Meeting to consider and vote on the approval and adoption of the Reorganization Agreement and the transactions contemplated thereby, as well as on the Fresenius USA Plan Amendment, will be held on September 16, 1996 at 10:00 a.m. local time, at the 52nd floor conference center of O'Melveny & Myers LLP, 153 East 53rd Street, New York NY 10022. The affirmative vote of the holders of record of at least two-thirds of the outstanding shares of Fresenius USA Common Stock is necessary to approve and adopt the Reorganization Agreement and the transactions contemplated thereby. The affirmative vote of the holders of record of a majority of the shares of Fresenius USA Common Stock is necessary to approve the Fresenius USA Plan Amendment. As a result, failing to vote by person or proxy on any such proposal at the Fresenius USA Special Meeting or abstaining on any such proposal has the same effect as voting against the proposal.

warrants to purchase Fresenius USA Common Stock. Fresenius AG has informed

Fresenius USA that it has agreed to vote all of its shares of Fresenius USA Common Stock in favor of the Reorganization and intends to vote all such shares in favor of the Fresenius USA Plan Amendment. Such 18,438,545 shares represent approximately 70.3% of the outstanding shares of Fresenius USA Common Stock. ACCORDINGLY, SUCH AFFIRMATIVE VOTE BY FRESENIUS AG WILL RESULT IN THE APPROVAL OF THE REORGANIZATION AND THE TRANSACTIONS CONTEMPLATED THEREBY AND THE FRESENIUS USA PLAN AMENDMENT. In addition, directors and executive officers of Fresenius USA, who beneficially owned as of July 23, 1996, in the aggregate, 262,166 shares of Fresenius USA Common Stock, or approximately 1% of the Fresenius USA Common Stock then outstanding, are expected to vote the shares they own in favor of the Reorganization and the Fresenius USA Plan Amendment. RECOMMENDATIONS OF THE BOARDS OF DIRECTORS

The Grace Board has unanimously approved the Reorganization Agreement and the transactions contemplated thereby. Based in part on the recommendations of the Grace Financial Advisors summarized under "BACKGROUND AND REASONS -- Background of the Reorganization; Reasons for the Recommendation of the Grace Board," the members of the Grace Board believe that the Reorganization Agreement and the transactions contemplated thereby are fair to, and in the best interests of, the Grace shareholders, and recommend a vote FOR approval of the Reorganization and the Grace Amendment.

The Fresenius USA Board, by unanimous vote, including the votes of all of the independent directors of Fresenius USA (the "Fresenius USA Independent Committee"), has approved the Reorganization Agreement and the transactions contemplated thereby, including without limitation, the Fresenius USA Merger. Based in part on the recommendations of the Fresenius USA Independent Committee's financial advisors summarized under "BACKGROUND AND REASONS -- Background of the Reorganization; Reasons for the Recommendation of the Fresenius USA Board," the members of the Fresenius USA Board unanimously believe that such transactions are fair to, and in the best interests of, the stockholders of Fresenius USA. The Fresenius USA Board, by unanimous vote, including the vote of all of the members of the Fresenius USA Independent Committee, has also approved the Fresenius USA Plan Amendment. The Fresenius USA Board, including all of the members of the Fresenius USA Independent Committee, unanimously recommend a vote FOR approval of the Reorganization and the Fresenius USA Plan Amendment.

In connection with approval of the Reorganization by the Grace Board, the Grace Board received opinions from CS First Boston and Merrill Lynch to the effect that, in the opinion of such firms, as of February 4, 1996, the terms of the Distribution Payment and the Grace Merger, taken together, were fair, from a financial point of view, to the holders of Grace Common Stock. In connection with these opinions, these firms performed a variety of financial and comparative analyses which included, among other things, valuation analyses with respect to Fresenius Medical Care and NMC and made a presentation to the Grace Board. Such opinions and presentation are based on certain assumptions and are subject to certain limitations. Such opinions and presentation are described herein under "BACKGROUND AND REASONS" at pages 37 through 57, and the opinions of CS First Boston and Merrill Lynch are set forth in full in Appendix C hereto.

In connection with approval of the Reorganization by the Fresenius USA Board, the Fresenius USA Independent Committee received an opinion from Salomon Brothers to the effect that, in the opinion of such

6

<PAGE> 31

firm, as of May 8, 1996, the exchange ratio of 0.37067735 FMC Ordinary Shares to be issued in exchange for each share of Fresenius USA Common Stock held by the stockholders of Fresenius USA (other than Fresenius AG and Grace and their respective subsidiaries) was fair, from a financial point of view, to the holders of Fresenius USA Common Stock (other than Fresenius AG and Grace and their respective subsidiaries). In connection with this opinion, Salomon Brothers performed a variety of financial and comparative analyses which included, among other things, valuation analyses with respect to Fresenius Medical Care and Fresenius USA and made a presentation to the Fresenius USA Independent Committee. Such opinion and presentation are based on certain assumptions and are subject to certain limitations. Such opinion and presentation are described herein under "BACKGROUND AND REASONS" at pages 47 through 57, and the opinion of Salomon Brothers is set forth in full in Appendix D hereto.

The determinations of the Grace Board and Fresenius USA Board with respect to the Reorganization are based upon a number of factors. For a discussion of certain factors considered by the Grace Board and the Fresenius USA Board, see "BACKGROUND AND REASONS -- Background of the Reorganization; Reasons for the Recommendation of the Grace Board" and "-- Background of the Reorganization; Reasons for the Recommendation of the Fresenius USA Board."

INTERESTS OF CERTAIN PERSONS IN THE TRANSACTIONS

In considering the recommendations of the Grace Board and the Fresenius USA Board with respect to the Reorganization, shareholders of Grace and Fresenius USA should be aware that Fresenius AG and certain current and former members of the respective boards of directors of Grace and Fresenius USA have certain interests in the Reorganization in addition to the interests of shareholders of Grace and Fresenius USA generally. These interests include certain contractual relationships relating to the supply of products and the sharing of intellectual property, among other things, between Fresenius AG and Fresenius Medical Care (discussed under "THE REORGANIZATION -- Continuing Arrangements Between Fresenius Medical Care and Fresenius AG"), various employment and consulting agreements (discussed under "MANAGEMENT OF FRESENIUS MEDICAL CARE -- Compensation of the FMC Management Board and Certain Other Executive Officers -- Employment and Consulting Agreements"), indemnification agreements (discussed under "FRESENIUS USA EXECUTIVE COMPENSATION -- Indemnification Agreements"), payments in the aggregate amount of \$15,035,119 in respect of shares of, and stock options with respect to, Fresenius USA Common Stock (discussed under "FRESENIUS USA EXECUTIVE COMPENSATION -- Securities Repurchases") and supplemental compensation ranging between \$50,000 and \$75,000 per person to members of the Fresenius USA Independent Committee for services rendered thereon (discussed under "INTERESTS OF CERTAIN PERSONS -- Other Interests in the Reorganization"). No Grace insiders will receive any material benefits as a result of the Reorganization.

OPINIONS OF FINANCIAL ADVISORS

Grace. CS First Boston Corporation ("CS First Boston") and Merrill Lynch, Pierce, Fenner & Smith Incorporated ("Merrill Lynch"), financial advisors to Grace ("Grace Financial Advisors"), have issued their respective written opinions to the Grace Board that, as of February 4, 1996, the date of approval of the Reorganization Agreement by the Grace Board, the terms of the Distribution Payment and the Grace Merger, taken together, were fair, from a financial point of view, to the holders of the Grace Common Stock. Such written opinions are reproduced in their entirety as Appendix C to this Joint Proxy Statement-Prospectus, and holders of Grace Common Stock are urged to read such opinions and confirmations carefully in their entirety for a description of the procedures followed, assumptions and qualifications made, matters considered, and limitations on the review undertaken by such firms.

Fresenius USA. Salomon Brothers Inc ("Salomon Brothers"), the financial advisor to the Fresenius USA Independent Committee, has issued its written opinion to the Fresenius USA Independent Committee that, as of May 8, 1996, the exchange ratio for the exchange of Fresenius USA Common Stock for FMC Ordinary Shares by the stockholders of Fresenius USA (other than Fresenius AG and Grace and their

7

<PAGE> 32

respective subsidiaries) in the Fresenius USA Merger is fair, from a financial point of view, to such holders. The written opinion of Salomon Brothers is reproduced in its entirety as Appendix D to this Joint Proxy Statement-Prospectus, and holders of Fresenius USA Common Stock are urged to read such opinion carefully in its entirety for a description of the procedures followed, assumptions and qualifications made, matters considered, and limitations on the review undertaken by Salomon Brothers.

THE REORGANIZATION AGREEMENT

On February 4, 1996, Fresenius AG and Grace executed and delivered agreements which provide for the transactions described below.

FORMATION OF FRESENIUS MEDICAL CARE

Fresenius AG has changed the name of Sterilpharma GmbH to "Fresenius Medical Care GmbH" and will convert it into a German stock corporation, changing its name to "Fresenius Medical Care AG."

THE CONTRIBUTION

Prior to the Effective Time, Fresenius AG will contribute Fresenius Worldwide Dialysis to Fresenius Medical Care. However, Fresenius AG will retain and lease (either directly or through an affiliate) to Fresenius Medical Care (or an affiliate) certain real property and buildings in Germany, as described under "THE REORGANIZATION -- Continuing Arrangements between Fresenius Medical Care and Fresenius AG -- Real Property Lease." Fresenius AG will also retain and license to Fresenius Medical Care the "Fresenius" name and mark and the "F" logo as described under "THE REORGANIZATION -- Continuing Arrangements between Fresenius Medical Care and Fresenius AG -- Trademarks."

THE DISTRIBUTION

Prior to the Effective Time, New Grace will hold all assets of Grace (other than NMC). Immediately prior to the Recapitalization, Grace will effect the Distribution whereby Grace will spin off New Grace.

THE DISTRIBUTION PAYMENT

In connection with the Distribution, NMC will borrow and/or will retain or assume Debt (as defined in the Reorganization Agreement) in an aggregate amount of approximately \$2.263 billion (as adjusted pursuant to the Reorganization Agreement) and will distribute the net cash proceeds to Grace Chemicals as a dividend (such assumption and dividend, the "Distribution Payment"). It is expected that NMC will borrow funds for such Distribution Payment pursuant to

the NMC Credit Agreement, as a result of which, on a pro forma basis, NMC would have had annual debt service obligation under such Agreement and its other obligations of approximately \$170.0 million in 1995. See Note 2 of Notes to Unaudited Pro Forma Condensed Combined Financial Information. Grace intends that a portion of such net cash proceeds will be applied to further reduce Grace Chemicals' debt and the remaining net cash proceeds received from NMC be used to purchase shares of New Grace Common Stock and to invest in core businesses.

In connection with the NMC Credit Agreement, Grace Chemicals has agreed to guarantee Facility 3 (which provides for \$500 million of available credit) and under Facility 2 up to a maximum of \$450 million. The NMC Credit Agreement is expected to provide that these guarantees will be released as to \$800 million upon the occurrence of certain events after 45 days, but within 60 days, following the Effective Date, including (a) the receipt of an unconditional joint and several guarantee from Fresenius Medical Care and certain of its subsidiaries for the full amount of the NMC Credit Facility; or (b) the receipt of a letter of credit or other acceptable financial accommodation for the account of Grace Chemicals or Fresenius Medical Care in form and substance satisfactory to the Lenders; or (c) a prepayment in certain specified amounts under the NMC Credit Facility guaranteed by Grace Chemicals. If such guarantees are not released within 60 days following

8

<PAGE> 33

the Effective Date, demand for payment will be made on Grace Chemicals under such guarantees as to \$800 million. It is the intention of Fresenius Medical Care to provide the unconditional joint and several guarantees referred to in the preceding sentence in a manner so as to cause the release of Grace Chemicals' guarantees as to \$800 million not before 46 days, but on or prior to 50 days, following the Effective Date. However, no assurance can be given that such guarantees as to \$800 million will be provided or that either or both of Grace Chemicals' guarantees will be released. In the event that Fresenius Medical Care does not provide such guarantees or otherwise effect the release of the Grace Chemicals guarantees as to \$800 million, Grace Chemicals would be required to provide the letters of credit or repay the amounts specified in the NMC Credit Agreement and, thereafter, be subrogated to the rights of Lenders with respect to such repaid amounts after the Lenders under the respective facilities have been repaid in full; and Grace Chemicals has undertaken to the Lenders to maintain unused available credit in an amount to be determined while the Grace Chemicals guarantees are outstanding in order to facilitate such actions. In connection with Grace Chemicals' agreement to extend guarantees under the NMC Credit Agreement, Fresenius Medical Care and Grace Chemicals intend to enter into an agreement to induce Fresenius Medical Care to cause such guarantees to be released as to \$800 million not later than the 50th day following the Effective Date. The balance of the Grace Chemicals guarantees under Facility 2 will be released upon NMC (or Fresenius Medical Care, if Fresenius Medical Care guarantees the NMC Credit Facility), on a consolidated basis, achieving a ratio of senior debt to EBITDA of equal to or less than 3.5. See "FINANCING -- NMC Credit Agreement."

THE RECAPITALIZATION

Immediately following the Distribution and immediately prior to the Effective Time, the Recapitalization of Grace will be effected so that each holder of Grace Common Stock will receive one New Preferred Share for each share of Grace Common Stock held.

THE MERGERS

At the Effective Time, Grace Merger Sub will merge with and into Grace, with Grace the surviving corporation, and Grace's name will be changed to "Fresenius National Medical Care, Inc." and FUSA Merger Sub will merge with and into Fresenius USA, with Fresenius USA being the surviving corporation; and as promptly as practicable following the Mergers, Fresenius USA will be contributed to FNMCI. As a result of the Mergers, holders of Grace Common Stock (together with holders of options to purchase Grace Common Stock who are employees of NMC) at the Effective Time will be allocated 44.8% of the FMC Ordinary Shares outstanding immediately thereafter, on a fully diluted basis, and Fresenius AG will be allocated approximately 50.3% of the FMC Ordinary Shares outstanding immediately thereafter, on a fully diluted basis. Holders of Fresenius USA Common Stock (together with holders of options and warrants to purchase Fresenius USA Common Stock) will be allocated, in the aggregate, approximately 4.9% of the FMC Ordinary Shares outstanding immediately thereafter, on a fully diluted basis, based on an exchange ratio of approximately 1.112 ADSs for each share of Fresenius USA Common Stock.

OTHER TERMS OF THE REORGANIZATION AGREEMENT

Effective Time. The Fresenius USA Merger and the Grace Merger will become effective on the date and time on which articles of merger respecting the Fresenius USA Merger are filed with the Secretary of State for the Commonwealth of Massachusetts and the certificate of merger respecting the Grace Merger is filed by the Department of State for the State of New York (or such later date and time as may be specified therein (the date thereof the "Effective Date," and the time thereof, the "Effective Time").

Accounting Treatment. Each of the Grace Merger and the Fresenius USA Merger will be accounted for as a purchase by Fresenius Medical Care under US GAAP. See "THE REORGANIZATION -- Accounting Treatment."

9

<PAGE> 34

CONDITIONS

Financing. It is a condition to the consummation of the Reorganization that Grace and Fresenius AG have obtained the financing necessary to consummate the Reorganization, including the Distribution Payment, on terms satisfactory to the parties.

Antitrust. It is a condition to the consummation of the Reorganization that the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and the rules promulgated thereunder (the "HSR Act"), shall have expired or terminated. On July 25, 1996, the U.S. Federal Trade Commission (the "FTC") accepted for public comment an Agreement Containing Consent Order with Fresenius AG and Fresenius USA, and the HSR Act waiting period terminated on July 26, 1996. Following the public comment period, the FTC may either take steps to enter a final order or withdraw acceptance of the Agreement Containing Consent Order. Unless acceptance is withdrawn by the FTC, the Agreement Containing Consent Order will require the divestiture of Fresenius USA's dialysate concentrate manufacturing facility in Lewisberry, Pennsylvania. See "BUSINESS OF FRESENIUS MEDICAL CARE -- Business of Fresenius USA -- Properties" and "THE REORGANIZATION -- Conditions."

Under Germany's Law Against Restraints of Competition, Fresenius AG and NMC have filed for pre-merger clearance with the German Federal Cartel Office ("FCO"). The FCO has granted clearance, subject to the divestment prior to the consummation of the Reorganization of Schiwa GmbH ("Schiwa") and Rena-Med GmbH and its affiliates ("Rena-Med"), German subsidiaries of Fresenius AG and Grace, respectively, whose products include dialysate concentrates. Efforts are underway to divest Schiwa and Rena-Med. Discussions are in progress with the FCO regarding the conditions and timing of the divestment and clearance. See "THE REORGANIZATION -- Conditions."

Litigation. It is a condition to the consummation of the Reorganization that no governmental entity shall have issued any judgment, decree, injunction or other order which is in effect and prohibits consummation of the Reorganization.

Other Approvals. It is a condition to the Reorganization that all material filings, consents, approvals and authorizations required to be made or obtained in connection with the Reorganization be made or obtained from the applicable governmental or regulatory authority, agency, court or other entity, domestic or foreign, prior to the Effective Time. In this regard, it should be noted that certain regulatory approvals may be required by state and local authorities and by certain government agencies which regulate the health care business. NMC and Fresenius Worldwide Dialysis are working toward obtaining all such consents and approvals and expect that such consents and approvals will be obtained.

Waiver. All conditions to the Reorganization may be waived by the relevant party, but neither Grace nor Fresenius AG expects to waive any material conditions.

TERMINATION

The Reorganization Agreement may be terminated and the Reorganization abandoned at any time prior to the Effective Time under certain circumstances described in the Reorganization Agreement, including in connection with a Higher Offer. If the Reorganization Agreement is terminated under certain specified conditions, \$75 million plus actual out-of-pocket expenses will become payable by Grace to Fresenius AG (although Grace will not be responsible for the expenses of Fresenius USA). Pursuant to an agreement between Fresenius AG and Fresenius USA, Fresenius USA is entitled to 34% of any such termination fee. See "THE REORGANIZATION -- Conditions," "--- Termination Fees" and "--- Termination." In the event of termination of the Reorganization Agreement, no party to the Reorganization Agreement will have any liability or future obligation to any other party, except for liability for any material and willful breach of any covenant.

<PAGE> 35

CERTAIN FEDERAL INCOME TAX CONSEQUENCES

TAX CONSEQUENCES TO GRACE AND GRACE SHAREHOLDERS

The obligations of Grace to consummate the Distribution and the Recapitalization, and the obligations of Grace, Fresenius AG and Fresenius USA to consummate the Reorganization, are conditioned, among other things, on the receipt of opinions from special counsel and tax counsel to Grace that: (a) the Distribution will qualify as a tax-free distribution such that a Grace shareholder will not recognize any income, gain or loss as a result of the Distribution; (b) the Recapitalization will be a tax-free transaction to Grace such that no gain or loss will be recognized by Grace as a result of the Recapitalization; and (c) the Grace Merger will qualify as a tax-free transaction to Grace and its shareholders such that Grace will recognize no gain or loss as a result of the Grace Merger, and no gain or loss will be recognized by Grace shareholders upon receipt of ADSs representing FMC Ordinary Shares in exchange for Grace Common Stock pursuant to the Grace Merger, except that holders of Grace Common Stock who exercise their appraisal rights or who receive cash in lieu of fractional shares will recognize gain or loss. It is also expected that the Recapitalization will be tax free to the Grace shareholders. No ruling from the Internal Revenue Service ("IRS") has or will be sought with respect to any aspect of the Reorganization. See "CERTAIN FEDERAL INCOME TAX CONSEQUENCES OF THE TRANSACTIONS TO GRACE AND GRACE SHAREHOLDERS."

TAX CONSEQUENCES TO FRESENIUS USA STOCKHOLDERS AND FRESENIUS MEDICAL CARE

Stockholders of Fresenius USA who exchange their shares of Fresenius USA Common Stock for FMC Ordinary Shares or ADSs will not be subject to federal income tax except to the extent cash is received in lieu of fractional shares. The exchange of shares of Fresenius USA Common Stock entirely for cash by Fresenius USA Dissenting Stockholders will be a taxable transaction on which gain or loss will be recognized.

For a more complete summary of the material U.S. federal and German income tax consequences of exchanging shares of Fresenius USA Common Stock for FMC Ordinary Shares and of holding the FMC Ordinary Shares, see "CERTAIN INCOME TAX CONSEQUENCES OF THE TRANSACTIONS TO HOLDERS OF FRESENIUS USA COMMON STOCK."

Fresenius Medical Care will recognize no gain or loss upon receipt of Fresenius USA Common Stock in exchange for FMC Ordinary Shares or ADSs.

APPRAISAL RIGHTS

Holders of Grace Common Stock have the right to dissent from the approval and adoption of the Reorganization Agreement and the transactions contemplated thereby and, subject to strict compliance with Sections 623 and 910 of the New York Business Corporation Act (the "NYBCL"), as an alternative to receiving the applicable consideration for their Grace Common Stock, to a judicial determination of the fair value of their Grace Common Stock. Sections 623 and 910 of the NYBCL are described under "THE REORGANIZATION -- Appraisal Rights" and are attached as Appendix F to this Joint Proxy Statement-Prospectus.

Holders of Fresenius USA Common Stock have the right to dissent from approval and adoption of the Reorganization Agreement and the transactions contemplated thereby, and, subject to strict compliance with certain requirements of the Massachusetts Business Corporation Law (the "MBCL"), to receive payment for the "fair value," as defined in the MBCL, of their Fresenius USA Common Stock. These requirements are described under "THE REORGANIZATION -- Appraisal Rights" and in the provisions of Sections 85 through 98 of the MBCL, which are attached as Appendix G to this Joint Proxy Statement-Prospectus.

11

<PAGE> 36

NEW PREFERRED SHARES

Prior to the Effective Time, but following the Distribution, the Recapitalization of Grace will be effected so that holders of Grace Common Stock will receive one New Preferred Share for each share of Grace Common Stock held. The New Preferred Shares will have a liquidation preference of \$0.10 per share (the "Liquidation Preference") and will have no dividend rights and no dividend preference except with respect to the Special Dividend described below. The New Preferred Shares will have no class voting rights (except as provided by law or in the FNMC certificate of incorporation, as described below). The New Preferred Shares will have one-tenth of a vote per share. The holders of the New Preferred Shares will be entitled to receive, when and if declared by the board of directors of FNMC (the "FNMC Board"), the Special Dividend, payable in cash in annual installments beginning on October 1, 2002 and in each subsequent year until the dividend is fully paid, in an amount based on adjusted cash flow of Fresenius Medical Care from January 1, 1997 to December 31, 2001. Under certain circumstances, FNMC may pay the Special Dividend in shares of Common Stock of FNMC ("FNMC Common Stock"). If the Special Dividend is payable, but not declared, or if any installment of the Special Dividend is not paid on October 1, 2002 and, thereafter, on October 1 in each of the following years, if applicable (each such date, a "Payment Date"), FNMC may not pay any other dividends on FNMC Common Stock and the holders of the New Preferred Shares will have a right to vote as a class to elect two directors to the FNMC Board. However, failure of FNMC to pay dividends on the New Preferred Shares will not preclude Fresenius Medical Care from paying dividends on FMC Ordinary Shares. The New Preferred Shares are redeemable after the date of the Public Announcement (which is required to be made no later than May 1, 2002) for the greater of the Liquidation Preference or any unpaid Special Dividend Amount. See "DESCRIPTION OF NEW PREFERRED SHARES" for a more complete description of the New Preferred Shares as well as hypothetical examples of how the Special Dividend would be calculated. The text of the Grace Amendment providing the terms of the New Preferred Shares is set forth in Appendix B hereto.

CERTAIN EFFECTS OF THE REORGANIZATION ON THE RIGHTS OF GRACE SHAREHOLDERS AND FRESENIUS USA STOCKHOLDERS

Upon consummation of the Mergers, the holders of shares of Grace Common Stock and of Fresenius USA Common Stock will become holders of ADRs representing ADSs evidencing FMC Ordinary Shares. Certain differences exist between the rights of a shareholder of a Massachusetts or New York corporation, on the one hand, and holders of ADRs representing ADSs evidencing ordinary shares of a German stock corporation, on the other hand. The internal affairs of Fresenius Medical Care will be governed by German law and by Fresenius Medical Care's Articles of Association. The Reorganization will result in certain differences in the rights of Grace shareholders and Fresenius USA stockholders from the rights they currently possess. Shareholders of Fresenius Medical Care will have the benefit of certain provisions pursuant to German law, Fresenius Medical Care's Articles of Association, and a pooling agreement for the benefit of the shareholders of Fresenius Medical Care, other than Fresenius AG, as more particularly described under "DESCRIPTION OF THE POOLING AGREEMENT."

CERTAIN CONSIDERATIONS

In deciding whether to approve and adopt the Reorganization Agreement and

the transactions contemplated thereby, shareholders should carefully evaluate the matters set forth under "RISK FACTORS" and "BUSINESS OF FRESenius MEDICAL CARE," and, in the case of Grace shareholders, in the New Grace Prospectus attached as Annex A to the version of this Joint Proxy Statement-Prospectus being furnished to Grace shareholders, in addition to the other matters described herein and therein. In addition, see "BUSINESS OF FRESenius MEDICAL CARE -- Regulatory and Legal Matters -- Legal and Regulatory Proceedings -- Shareholder Litigation" for a summary of a purported class action filed in February 1996 relating to the Reorganization. The plaintiff in such action has not taken any steps to prosecute such action since it was filed, and the defendants believe such action is without merit.

RISK FACTORS

The following risk factors, in addition to the other information contained in this Joint Proxy Statement-Prospectus, should be carefully considered. Grace shareholders should also consider the information in the New Grace Prospectus attached as Annex A to the version of this Joint Proxy Statement-Prospectus furnished to Grace shareholders. As used herein, the name "Fresenius Medical Care" refers to the health care businesses conducted by Fresenius Worldwide Dialysis and NMC prior to the Effective Time, and to be conducted by Fresenius Medical Care following the Effective Time.

RISKS RELATING TO THE BUSINESS OF FRESENIUS MEDICAL CARE

COST PRESSURES AND OPERATING MARGINS

Fresenius Medical Care's costs are subject to increases as a result of rising labor and supply costs. At the same time, reimbursement rates (both governmental and non-governmental) for dialysis treatments and other services offered by Fresenius Medical Care are generally fixed and may remain at current levels or be reduced. See "-- Risks Relating to Regulatory Matters -- Dependence on Government Reimbursement" and "-- Health Care Reform." Although Fresenius Medical Care will seek to maintain or improve operating margins through cost efficiencies, there can be no assurance that Fresenius Medical Care's operating margins will not decline in the future. See "MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS -- NMC," "MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS -- FRESENIUS USA" and "MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS -- FRESENIUS WORLDWIDE DIALYSIS."

COMPETITION

Fresenius Medical Care faces and is likely to face numerous competitors, some of which may possess substantial financial, marketing or research and development resources. There can be no assurance that such competition will not materially adversely affect the future pricing or sale of Fresenius Medical Care's products and/or services. In particular, technological innovation has historically been a significant competitive factor in the dialysis products business. There can be no assurance that the introduction of new products by competitors will not render one or more of Fresenius Medical Care's products obsolete.

Fresenius Medical Care will be a vertically integrated company which will compete in the provider business with many of the customers of its products business. As a result, independent dialysis centers and those operated by other chains that are presently customers of Fresenius Worldwide Dialysis may elect to limit or terminate their purchases of Fresenius Medical Care dialysis products so as to avoid purchasing products manufactured by a competitor. Fresenius Medical Care will continue to compete vigorously for the business of such customers. However, there can be no assurance that any such possible purchase reductions will not have a material adverse effect on Fresenius Medical Care's business, financial position or results of operations.

PRODUCTS LIABILITY AND OTHER CLAIMS

Health care companies are subject to claims alleging negligence, products liability, breach of warranty, malpractice and other legal theories that may involve large claims and significant defense costs whether or not such liability is imposed. Products manufactured by such companies may also be subject to recall. Although such claims and recalls have not had a material adverse effect on the businesses of Fresenius Medical Care in the past, there can be no assurance that Fresenius Medical Care will not suffer one or more significant claims or product recalls in the future, which could materially adversely affect its business, financial position or results of operations.

While NMC, Fresenius USA and Fresenius AG have been able to obtain liability insurance in the past, it is possible that such insurance may not be available in the future on terms acceptable to Fresenius Medical Care, if at all. A successful claim in excess of the limits of Fresenius Medical Care's insurance coverage could have a material adverse effect on Fresenius Medical Care's results of operations or financial condition. Such

21

<PAGE> 46

claims, regardless of their merit or eventual outcome, also may have a material adverse effect on Fresenius Medical Care's business and reputation. See "BUSINESS OF FRESENIUS MEDICAL CARE -- Regulatory and Legal Matters -- Legal and Regulatory Proceedings."

DEPENDENCE ON ACQUISITIONS

NMC's growth in revenues and operating earnings in prior years has resulted, in significant part, from its ability to consummate acquisitions of health care businesses, particularly dialysis centers, on reasonable terms. The health care industry has experienced significant consolidation in recent years, particularly in the dialysis and homecare service sectors in which Fresenius Medical Care will compete, resulting, in some cases, in increased costs of acquisitions in these sectors. Moreover, because of this ongoing consolidation, the availability of acquisition candidates has decreased in dialysis and homecare services. Fresenius Medical Care's ability to make acquisitions also will depend, in part, on Fresenius Medical Care's available financial resources and the limitations imposed under the NMC Credit Agreement. See "-- Other Risks-- Effects of Indebtedness" and "FINANCING." Fresenius Medical Care's ability to continue to effect acquisitions may also depend on its ability to use its capital stock as consideration in such transactions, which ability may be limited. See "DESCRIPTION OF CAPITAL STOCK OF FRESENIUS MEDICAL CARE -- General." The inability of Fresenius Medical Care to continue to be able to effect acquisitions on reasonable terms could have a material adverse impact on growth of its business and its future financial position and results of operations.
